Dear Sirs

**PROGRESS REPORT AND INDICATIVE TIMEFRAME FOR THE PROPOSED DEVELOPMENT OF A RECREATIONAL PARK AND ASSOCIATED FACILITIES WITHIN THE WATERKLOOF RIDGE NATURE VALLEY, WATERKLOOF RIDGE, TSHWANE [GDARD REF NO: GAUT 002/13-14/E0273]**

Herewith progress made to date with regard to the abovementioned project.

Please find below status of specialist studies conducted by Exigo and Civil Consult to date:

| Specialist    | Study  | Status                             |
|---------------|--|------------------------------------|
| Exigo         | Ecological Management Plan and Rehabilitation Plan | Received<br>Currently under review |
| Civil Consult | Stormwater Management Plan                         | Pending                            |

Also note that ILA had submitted a request for extension of timeframe to the GDARD (15/01/2015), we have since received acknowledgement and granted the extension (03/08/2015). Once all mentioned reports have been obtained, the Final Basic Assesment report will be submitted to GDARD and made available to all stakeholders and I&AP's.

Please do not hesitate to contact Karen Botes or myself should you require any further details.

Best Regards
